Our Heritage

Over 55 years of
 British design and
 manufacturing

Quality, Craftsmanship & Sustainability

These are the core values at the heart of our business. They have been instilled in our employees since 1964 and it is these values that create a great sense of pride and passion in everything that we do.

At our factory in the North East of England, our passionate and dedicated team believe in continuous product development and only using the highest quality materials and components to create stylish bathroom storage that will last and help you achieve your dream bathroom.

Service, Simplicity & Guarantees

We take great pride in these aspects of our business. Our head office is located alongside our manufacturing facilities allowing for a seamless service. Our knowledgeable and helpful customer service team are on-hand to provide expert advice. Our bathroom furniture is designed to look elegant and be easy to install for a quick and accurate installation.

Everything we do is with customer satisfaction in mind. Our bathroom furniture and production processes have evolved over the years but the passion and dedication to create high quality, sustainable, British manufactured furniture has remained unchanged. All Atlanta Bathroom furniture comes with a Lifetime Guarantee* and all our timber products are responsibly sourced and FSC® certified.

Key Features

What is Fitted Furniture?

Fitted bathroom furniture is a series of units which fit together seamlessly enabling you to create a complete storage solution. With our fantastic range you can select the units you want and create a stunning feature in any bathroom.

What are the benefits?

Fitted furniture allows you to maximise your storage even in small bathrooms. It keeps your bathroom looking neat and tidy while hiding any unsightly pipework.

Style Guide

Use the finish & door collection guide

Here you can view the full range of finishes and door styles available. Once you find the styles you like, check the page reference for those styles and refer to the specific pages to find out more.

Take a look at our suggested configurations

Remember what we've shown are examples, you can choose any combination of units which are available in a wide range of sizes, just take a look at the pricing and specification pages for all options.

Take some measurements & some photos

Your retailer will be able to help you design your bathroom, by taking some basic measurements of the room, as well as a couple of photos and noting where water and waste outlets are.

Refer to your preferred collection pages

We have a dedicated section for each finish and door style available, so you can get a good idea of how your chosen finish could look in your bathroom. We've also shown our recommendations of accessories.

Select your accessories

We have a stunning range of countertops, handles, sanitaryware, taps and lighting to complement your bathroom and whilst we've made some suggestions on our collection pages, we have a fantastic range to suit any taste.

Place your order

Once you're happy with how your bathroom will look, then all you need to do is confirm with your retailer and they'll take it from there.

Nearest Showroom

Atlanta Bathroom furniture is available at a wide range of showrooms across the United Kingdom. To find your local showroom visit www.atlantabathrooms.com or call our customer service team on 0191 428 3104 who will be happy to help.

GUARANTEES & CONDITIONS

GUARANTEES

Due to our outstanding manufacturing facilities Be Modern proudly offer a lifetime guarantee.

The lifetime guarantee covers manufacturing and material defects of furniture products only. It does not cover sanitaryware, handles, taps, mirrors, lights or any electrical or moving components. It does not cover normal wear and tear, which naturally and inevitably occurs as a result of normal use and the products must be installed, used and cared for in accordance with our fitting and care instructions.

Adequate ventilation is essential in all bathrooms to prevent excessive condensation build up.

To activate the guarantee register online at www.atlantabathrooms.com/lifetime-guarantee.

The guarantee, which applies to the UK only, is limited to domestic use of the products and to the original homeowner. The guarantee is non-transferable between homeowners.

In the unlikely event that the product fails within the stated guarantee period, we will offer a replacement or replacement parts (or nearest equivalent). Liability is limited to individual products and does not cover consequential loss, damages or further installation costs involved.

Any guarantee claims should be made in writing to the Customer Service Department enclosing a copy of the original invoice.

This guarantee does not affect your statutory rights.

Ceramic sanitaryware and cast mineral basins are covered by a five year guarantee against manufacturing and material defects. Toilet seats come with a two year guarantee.

Mirrors, including those on mirrored doors (excluding illuminated mirrors), are covered by a five year guarantee against manufacturer and material defects.

Brassware is covered by a five-year guarantee on mixer and filler bodies and one-year on internal moving parts. Cisterns, sprung pop-up wastes and shower kits carry a one-year guarantee. Please note that customers will be referred to the cistern manufacturer to resolve any issues with cisterns.

Electrical fittings and components together with illuminated mirrors are covered by a one-year guarantee, excluding tubes and bulbs.

Solid surface countertops are covered by a 15 year guarantee which covers manufacturing and material defects. The 24mm countertops which features an MDF core is not protected against water ingress, as this should be properly sealed upon installation.

IMPORTANT INFORMATION

FURNITURE

All timber finishes are wood effects. Although great care is taken in choosing matching finishes there may be some variation due to the different materials, suppliers, batches and manufacturing processes used. The apparent colour of finishes may also vary under different lighting conditions, especially under artificial light.

CERAMIC SANITARYWARE

Due to the nature of materials and production processes the dimensions of ceramic items may vary within a tolerance of +/- 5%. The surfaces of ceramic products may contain imperfections. Sanitaryware may carry branding from relevant manufacturers.

CAST MINERAL BASINS

Cast basins are designed and guaranteed to be used with hot water up to a maximum temperature of 65°C. This temperature must not be exceeded. Due to the nature of materials and production processes the dimensions of cast mineral basins may vary within a tolerance of +/- 2%.

INSTALLATION

It is important that a waterproof sealant is used on cut or raw edges and particular attention should be given to areas around the basin and bath.

COLOUR REPRODUCTION

Colour reproduction is as accurate as possible within the limitations of the printing process. Also note colours will vary under artificial light.

ALTERATIONS TO MATERIALS & SPECIFICATIONS

The Be Modern Group policy is one of continual improvement and development, we therefore reserve the right to alter materials and specifications without notice.

DELIVERY EXCLUSIONS

24 hour express delivery is unavailable in the following postcode areas: AB10-16, AB21-40, AI1 IV, KW1-14, PA21-38, PH15-41 and LL58-59. Instead we offer a 2-3 day delivery service in these areas.

DAMAGES & RETURNS

All products should be inspected upon delivery and any damages must be reported within 3 working days. Products are sold on a supply only basis and the guarantee does not cover installation costs incurred due to any product faults which would have been evident at the time of delivery. The return of unwanted, non-faulty products, are subject to a re-stocking charge,

GUIDELINES FOR CARE AND MAINTENANCE

FURNITURE AND MIRRORS

Wipe up spills and condensation immediately with a clean cloth. We recommend that furniture be cleaned with a damp cloth. Avoid using cleaners or polishes that contain abrasives, solvents, acid or ammonia.

CAST MINERAL BASINS

Clean with a damp cloth, water and soap or very mild detergent, rinse and polish with a soft cloth. Avoid using cleaners that contain abrasives, solvents, acid or ammonia. Do not use caustic soda or bleaches. Full care instructions are included with the washbasin.

BASIN MIXERS & BATH FILLERS

Chrome and Black finishes should be cleaned with warm water and a soft cloth, rinsed and then dried immediately. They should then be buffed with a dry, clean soft cloth.

OUR COMMITMENT TO QUALITY

The reputation of the organisation rests on the high quality of our products hence all products are inspected throughout the production process.

Our quality management system is certified to ISO 9001:2015 and covers all areas of the business from manufacturing to customer service.

OUR COMMITMENT TO THE ENVIRONMENT

Be Modern manufacture bathroom furniture in its own factory in the North East of England. Methods are in place to reduce waste and increase energy efficiency throughout the plant.

Our environmental management system is certified to ISO 14001:2015 standards outlining our commitment to continually improve our environmental performance.

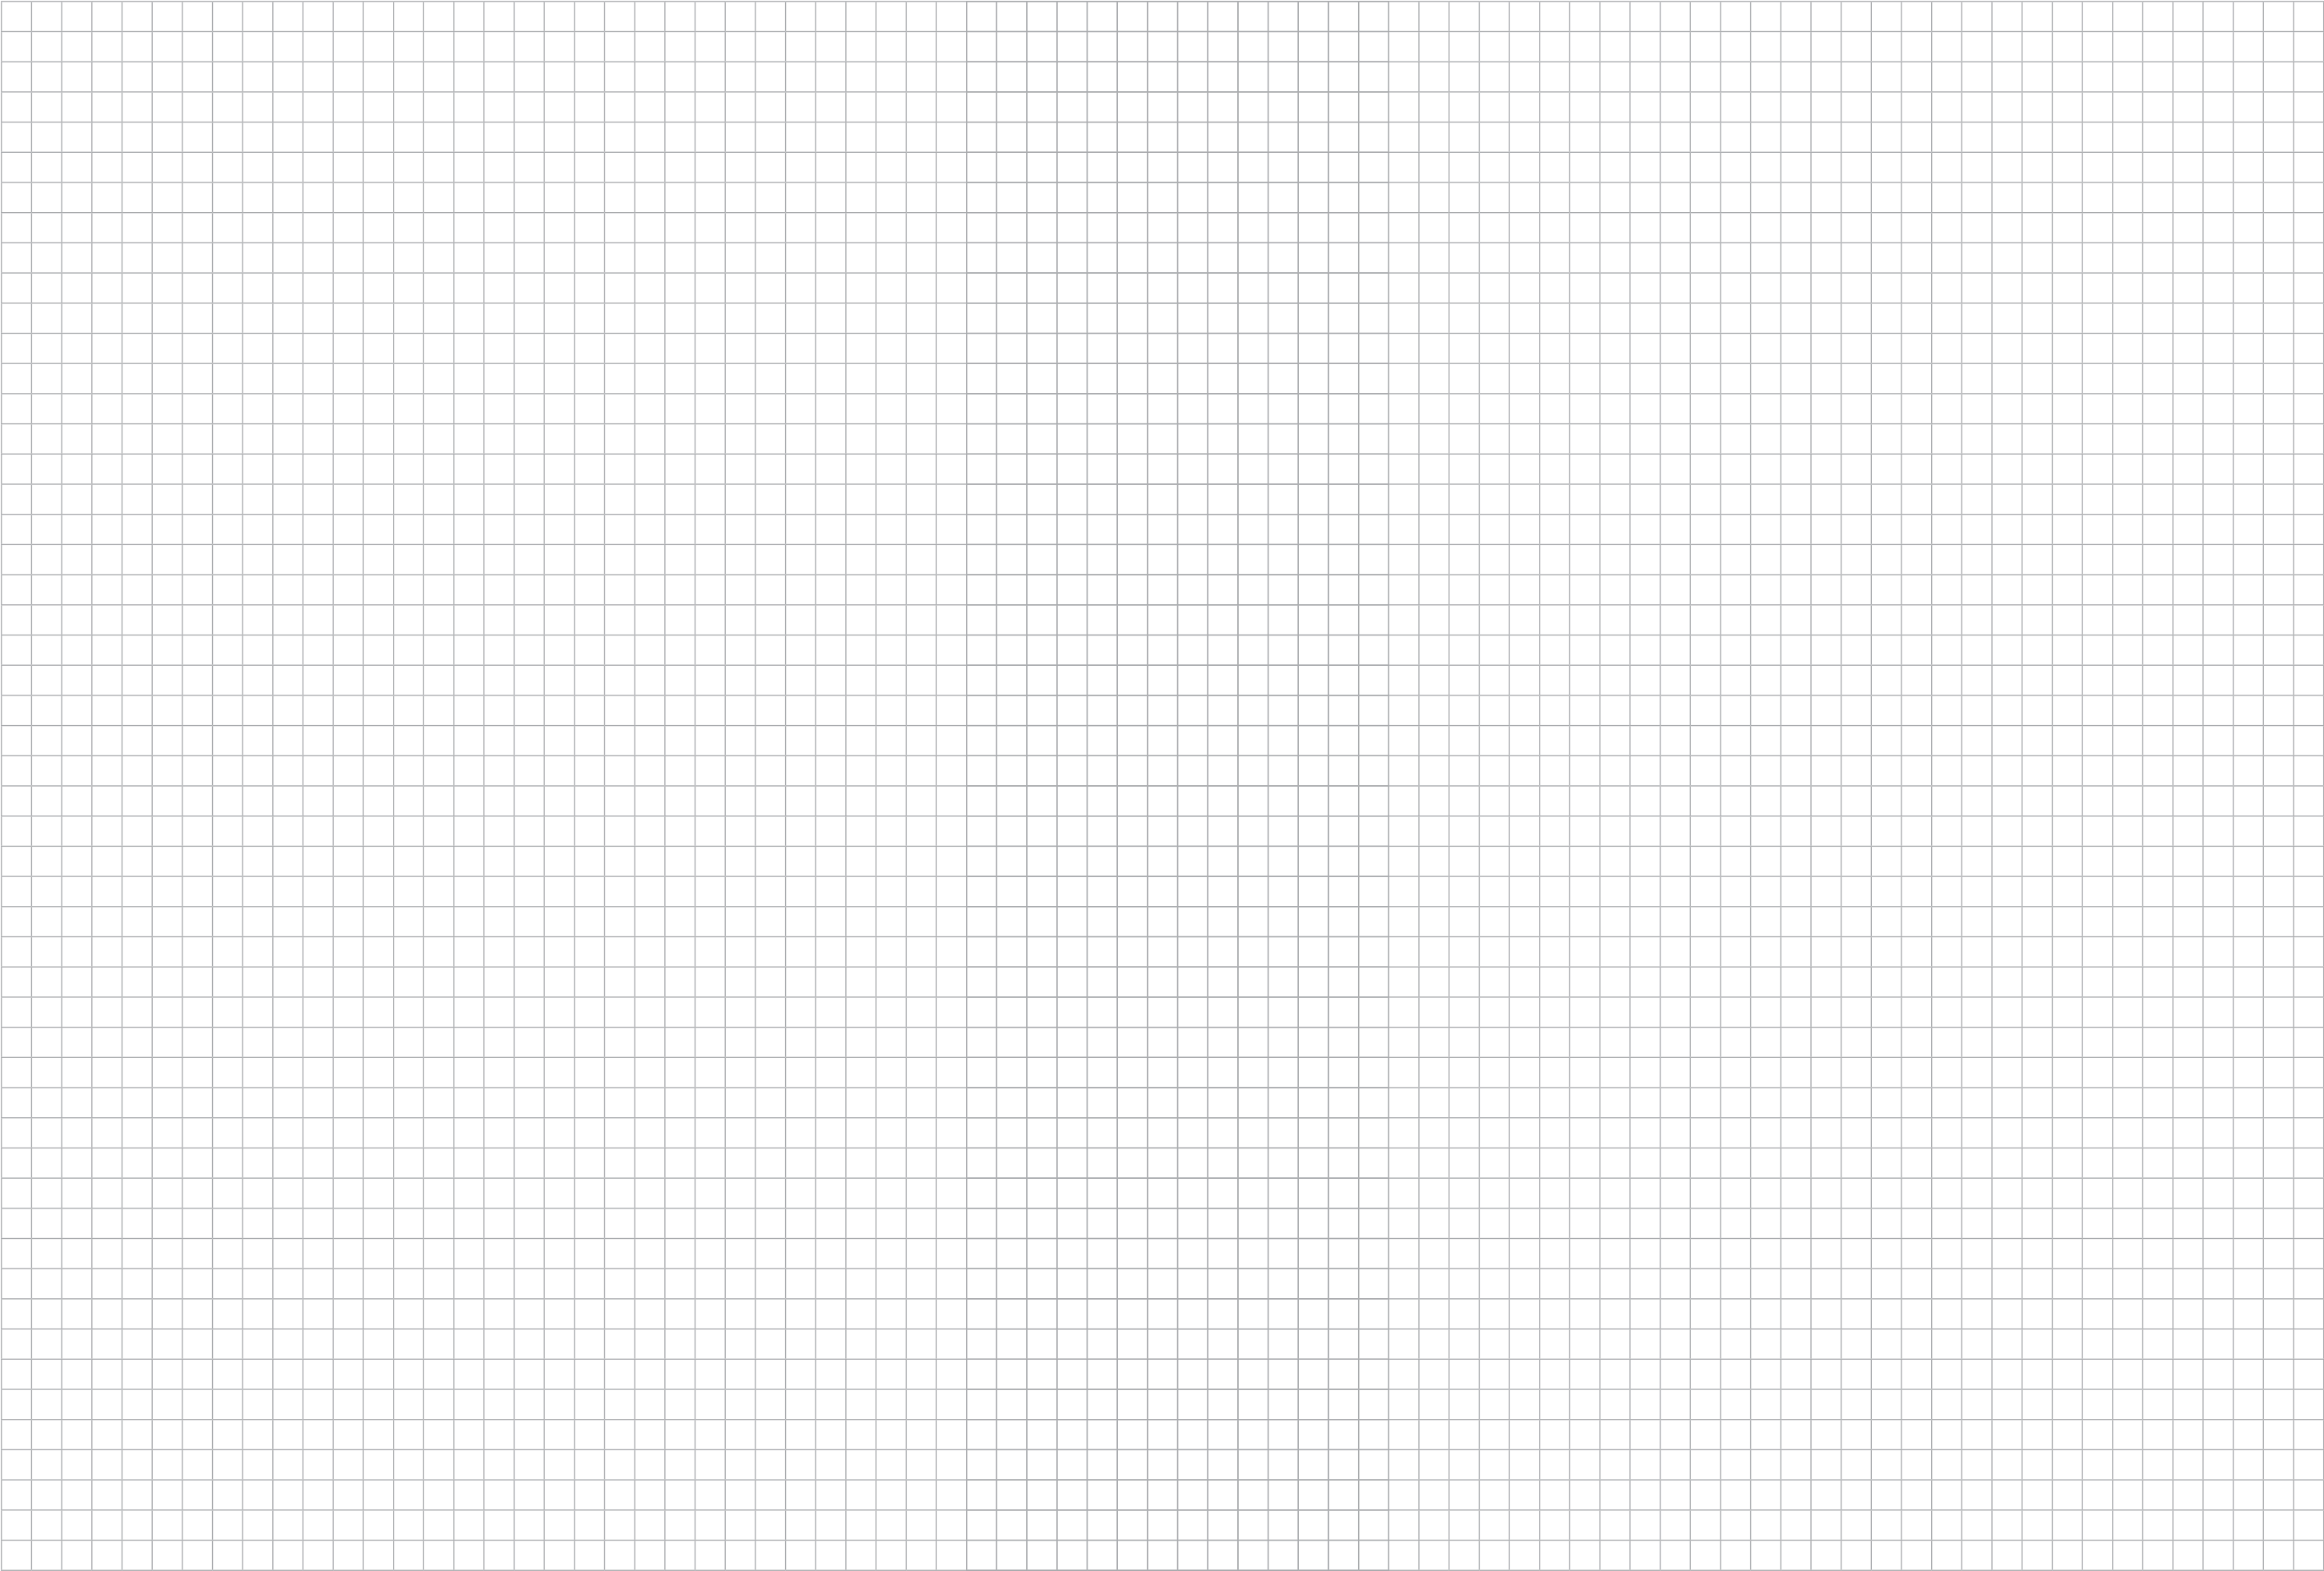

Be Modern hold full Forest Stewardship Council® chain of custody certification, our guarantee that all timber products used in our furniture come from responsible sources.

FSC® labelled products are made with consideration for people, wild-life and the environment.

The FSC® labels guarantee that the products are produced from controlled and recycled materials, that are harvested and replaced or allowed to regenerate naturally and parts of the forest are protected entirely.
